

Friday Flyer

Week 5

5th - 10th
October
2009

CONGRATULATIONS

To Cameron Brown who was nearest the pin on the 8th hole and had the longest drive on the 2nd hole in the recent Parents and Pupils golf match. Sebastian and Jon Brooke were the winners of the overall competition with 20 stableford points.

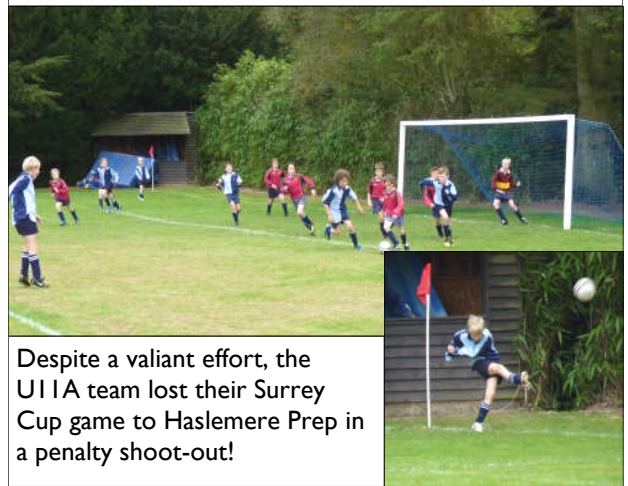

To Felix Effenberg and Adam von Hesse-Nassau who won the first 'Word of the Week' competition. The winners this week were Max Drover and Elmarie Messina.

To the senior girls who had their first netball match against Frensham Heights

DISCOVERIES AND INVENTIONS

20 gave a fascinating talk on 'Discoveries and Inventions' and how they have changed our lives. It was amusing and informative ending with a description by Robert Elston of his latest invention: a water pump powered pencil sharpener! He is looking to develop his idea and go on 'Dragons Den'.

Despite a valiant effort, the UIIA team lost their Surrey Cup game to Haslemere Prep in a penalty shoot-out!

HA! HA! BOOM! BOOM!

PP3 are learning about famous people this term and were thrilled to meet Basil Brush and his side kick Barney Harwood who present a comedy game show on BBC television.

NORTHBROOK WRAPPING PAPER

Please support FOSE and the school if you can through this initiative. The paper is well worth the money, it is high quality and from sustainable forests. All the money being raised by FOSE at the moment will be used to purchase a low ropes course in the woods.

OPEN MORNING

All children in the Prep School are expected to attend the Open Morning in normal school uniform unless they are doing an activity that requires something different.

CHRISTMAS BOXES FOR SOLDIERS

Fiona Flower will be collecting the boxes at the FOSE coffee morning, Friday 9th October. If you wish to send a box please email her on flower.shrubbs@virgin.net.
