Week 6

8th - 13th
October
2007

CONGRATULATIONS

To Matthew Benham who has been selected for the Hampshire junior golf squad.

Well done to all the children in the Pre-Prep who received Summer Reading Awards this week.

To Susannah and John Wilson on the safe arrival of Jimmy, a brother for Archie and Erin.

Loads of fun for all the boys and girls - young and old!!

HAT TRICK CLUB!

In what is proving to be one of the best football seasons ever, these are just a few of the boys who have scored hat tricks in competitive matches against other schools. With some of our football teams unbeaten this season, the last few matches will be nerve racking for everyone!

URGENT REMINDER

If your child is ill and not coming to school please leave a message with the Front Office as early as possible. We will call if we have not heard from you by 1st Break.

All late children must be signed in at the Front Office.

Children in the 3rd and 4th Form enjoyed a visit from Dermot the Anglo Saxon this week.

Following a short filmed interview of Lewis Hamilton as a boy, 4B described their proudest moments. How many of them have to learn to spray champagne will be interesting! The list of their proudest moments included: being nominated rugby player of the year at their club; catching various fish; swimming with dolphins; climbing Scarfel Pike and being proud of their family and what they have achieved at St. Ed's. Watching the pictures showing their achievements to the music of Take That was stirring stuff!
