EARLY YEARS

Free Entitlement

EYFE FUNDING FOR 3 & 4 YEAR OLDS

All children attending our nursery are entitled to receive the Government EYFE funding from the term after their 3rd Birthday until the term after their 5th Birthday. We offer the universal entitlement which allows parents to claim up to 15 hours per week.

This can be claimed as follows:

6 hours on a full day session | 3 hours on a full day session

We do not offer the funding on a half-day session.

Parents will be asked to complete a declaration form for the local authority at the beginning of each term, in order for us to claim the funding for their child(ren).

WORKING PARENT ENTITLEMENT FUNDING FOR 2 YEAR OLDS

The government offer 15 hours of working parent entitlement funding available to all parents of 2 year olds from the term after their 2nd birthday, providing that:

- They meet the eligibility criteria set by the government
- Their child attends a setting that will offer the funding for 2 year olds.

Parents are able to check their eligibility here: [How to apply for help with childcare for working parents | HMRC Childcare Choices](#)

Parents will be required to provide us with their eligibility code in order for us to be able to apply the funding. Parents are required to confirm their eligibility via their HMRC childcare account every 3 months and provide us with this confirmation.

The funding can be claimed as follows:

6 hours on a full day session | 3 hours on a full day session

We do not offer the funding on a half-day session.

Nursery fees are payable for the hours and services that are not covered by either funding option. Parents may divide their 15 hours between Little Ed's and another childcare provider, providing your claim does not exceed 15 hours per week with us. Please note that although funding is payable for up to 38 weeks of the year, at Little Ed's your claim will be for 33 weeks only, and the current rules do not allow you to claim the remaining weeks elsewhere. Funding can not be applied to holiday club sessions.

CHANGING SESSIONS

Reducing the number of sessions attended: Please note that we require four weeks' notice in writing if you wish to reduce the number of sessions your child attends nursery. Credit for sessions already invoiced for will only be issued on receipt of the correct notice. Please also note that we require a terms notice in writing for the termination of a nursery place. If your child leaves nursery during the term, please be aware that you may lose the funding entitlement for the remainder of that term.

Increasing the number of sessions attended: Please speak to the Head of EYFS if you wish to increase the number of sessions your child attends during a term.
